EXPERIENCE

SENIOR MULTIDISCIPLINARY DESIGNER | (January 2026 - Present) • Self-employed

Independent Contractor

Key Contributions:

- Delivered end-to-end creative solutions, motion assets, and brand materials for international clients.
- Managed full production cycles from initial concept to high-end motion graphics and print collateral.

MARKETING MOTION DESIGNER | (November 2025 - February 2026) • Part-time

AIBY

Key Contributions:

- Created high-converting video ads for 20+ products, prioritizing engagement and performance metrics.
- Integrated raw footage with AI-generated assets and synthetic media to build a fast, versatile creative workflow.
- Adapted core concepts across all essential formats (1:1, 9:16, 16:9, 4:5) for optimal multi-platform delivery.
- Developed simultaneous ad variations for A/B testing to drive rapid performance improvements.
- Leveraged AI for voiceover synthesis, lip-syncing, and precise audio-visual alignment to maximize impact.

MOTION AND GRAPHIC DESIGNER | (April 2025 - June 2025) · Contract

Max Markt BV (Netherlands & Belgium)

Key Contributions:

- Designed marketing and print materials for Max Markt (NL) and Mix Markt (BE) supermarkets.
- Created folders, price tags, in-store signage, posters, and POS materials.
- Produced video content for supermarket screens and social media.
- Developed promotional visuals for seasonal campaigns and in-store events.
- Worked within the company's marketing team, servicing retail locations in Belgium and the Netherlands.

UI/UX & VISUAL DESIGNER | (April 2024 - December 2024) · Part-time

Company Name is Under NDA

Key Contributions:

- Delivered 40+ iOS apps for utility, entertainment, and gaming segments.
- Covered full cycle: UX research, wireframes, UI/UX, and App Store visuals.
- Designed onboarding, flows, modals, notifications, and in-app journeys with style guides and export-ready assets.
- Produced App Store kits: screenshots, icons, banners, and marketing creatives supporting ASO goals.

Portfolio previews and live showcases available upon request via screen-share.

MOTION AND GRAPHIC DESIGNER | (May 2022 - March 2024) · Full-time

Somplo

Key Contributions:

- Developed promo videos and advertising materials for campaigns.
- Created animations for the Somplo CMP platform and corporate website.
- Designed content for social media, email, and sales department signatures.
- Produced animated and static graphics for display ads created on the platform.
- Contributed to the company's efforts that led to achieving Google Partner status.

Achievements:

- Promo videos and advertising materials attracted new clients and engaged existing users.
- Animated icons enhanced UX, speeding up ad creation by 40% on average.
- Social media visuals enhanced recruitment efforts and increased brand recognition.
- Developed interactive display ads for global brands incl. Toyota, Armani, Ford, L'Oréal, Ralph Lauren, Nestlé, Mazda.

TEAM LEAD DESIGNER | (Nov 2019 - March 2022) · Full-time

Black SMM Agency

Key Contributions:

- Created content for Meta (images and videos), TV commercials, brand videos, and presentation materials.
- Designed advertising banners and videos.
- Coordinated team tasks, prioritised assignments, and monitored deadlines.
- Held weekly meetings to discuss project focus and track team performance.
- Provided constructive feedback to team members.
- Compiled monthly reports on team performance and project progress.

Achievements:

- Started as a designer, promoted to Tech Lead, and then to Team Lead.

As a designer:

- Produced a promotional video for the "Gravity Falls" comic book series, licensed by Disney, for "Ranok" publisher, which was subsequently broadcast on the Inter TV channel.
- Contributed to over 30 projects.
- Created content for more than 60 content plans (9-24 posts per plan for Facebook and Instagram).
- Created over 1000 advertising banners, improving strategies developed by the agency for clients.

As Team Lead:

- Led a team of 4 people, ensuring timely and high-quality project delivery.
- Collaborated with major brands in Ukraine such as Invisalign, ICMC, Ranok, and others (NDA).
